

Dear Tivoli Furniture Team,

February 2, 2026

I hope this letter finds you well.

My name is Erald Elmadhi, and I represent Earth Roastery, a specialty coffee roastery and café in Doha. We truly admire Tivoli Furniture's commitment to quality, design, and excellence, and we would love to extend a small gesture of appreciation to your team.

We would like to propose an exclusive staff privilege for all Tivoli employees:

- **10% discount on all drinks and food items at Earth Roastery**
- **Available upon presentation of a valid Tivoli staff ID**
- **Applicable for only Earth Roastery in Old Rayyan**

This initiative is designed to offer Tivoli staff a welcoming space to enjoy quality coffee and food, whether during work breaks or after hours, while also strengthening a positive connection between our brands.

Please let us know if this proposal is of interest, and we would be delighted to move forward or adjust details as needed.

Thank you for your time and consideration. We look forward to the possibility of collaborating with Tivoli Furniture.

**Best Regards,**

**ERALD ELMADHI**
